From colostrum and egg yolk.

Good to go

4LIFE TRANSFER FACTOR® **CHEWABLE**
TRI-FACTOR FORMULA

THE **IMMUNE SYSTEM** COMPANY

The formulas of 4Life products are the result of the highest quality research and commitment.

RATING OF INGREDIENTS

Leading ingredients, backed by internationally approved research, are selected and studied.

RAW MATERIALS

4Life takes stringent care in the sourcing and origin of its raw materials to ensure it obtains the choicest ingredients:

- It uses strict criteria in the selection of its raw materials (the finest quality ingredients such as bovine colostrum).
- It carries out assessments and audits of its suppliers.

EXCLUSIVITY

4Life holds patents for the proprietary processes used to obtain transfer factors from bovine colostrum and yolk from hens' eggs.

FORMULA DESIGN

The final formula is designed with defined objectives tailored to each market. Physical and sensory assessments are carried out for the pilot tests of each formula.

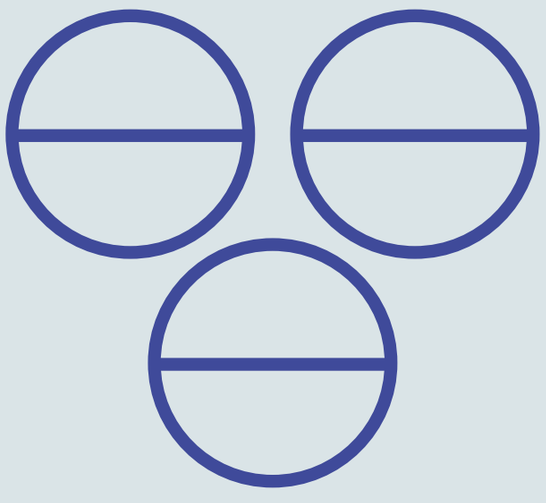

FACILITIES AND PROCESSES

We use state of the art manufacturing facilities. The 4Life production sites have obtained Good Manufacturing Practice (GMP) certification from NSF® International. This certification is proof that 4Life uses the right methods, equipment and quality control to ensure it produces the highest quality dietary supplements. 4Life carries out controls on every aspect of the process, from the selection of raw materials to packaging, thus guaranteeing products of the highest quality.

Warnings: Do not exceed the recommended daily dose.
Food supplements should not be used as a substitute for a varied and balanced diet or a healthy lifestyle. KEEP OUT OF REACH OF CHILDREN.
Store in a cool dry place.

90
CHEWABLE TABLETS

89,65 g
NET WEIGHT

TAKE THREE (3) TABLETS DAILY.
